Product: Dominator

---

Due to increased minimum requirements and slow sales, we have decided to discontinue Dominator in 5 Gallon Pails. We will continue to stock Dominator in both 55 Gallon Drums and 4X1 Gallons. We currently have two 5 Gallon Pails left on hand, and when those have been sold, we can make a non-stock version of the product available if demand is there.

Please call the office with any questions.
