

PRODUCT BULLETIN

Date: 4/2/2024

Product: **Germ-O-Foam**

Product Code: 157201

We have decided to discontinue **Germ-O-Foam** due to the EPA registration fee outweighing the demand for the product. We suggest selling **Foamy** as a suitable alternative to Germ-O-Foam. Similar to Germ-O-Foam, Foamy is a foaming disinfectant and is EPA registered.

Please contact the office with any questions.
