

PRO CHEM[®] DEGREASERS

DEGREASERS

Meeting environmental, regulatory and safety standards and specifications are just some of the requirements of modern degreasers. Also, the right product must be determined in order that cost saving, efficiency and effectiveness can be realized. With dozens of products to choose from, we have the right product for your job. From aerosol to liquid, from water-based to solvent-based, from fast drying to free rinsing, we have a product for every job.

ASSAULT

Heavy-Duty, Biodegradable, Water-Based Degreaser

- Immediately lifts and penetrates soils
- Use manually or in automatic scrubber
- Non-toxic, non-corrosive, non-flammable, biodegradable
- Contains powerful cleaning ingredients
- Suitable for almost all industrial, commercial, and automotive cleaning and degreasing applications
- Used safely on all washable surfaces

CITRA-FOAM

Ready-to-Use Foaming Degreaser

- Ready-to-use foaming spray and wipe
- Quickly penetrates fats, oils and grease-based soils
- Deodorizes as it cleans with natural citrus fragrance
- Leaves no streaks, films or smudges
- No phosphates

FUTRON

Heavy Duty, Concentrated Cleaner and Degreaser

- Emulsifies and holds grease in suspension
- Contains no phosphates, soaps, cellosolves or other highly toxic solvents
- Non-toxic, non-polluting, non-flammable
- Non-corrosive, acid free
- Biodegradable
- Contains no butoxyethanol
- Authorized by USDA for use in federally inspected meat and poultry plants

MEGA BLAST II

Aerosol Solvent Degreaser

- Non-flammable
- Leaves no residue
- Dries quickly
- Non-chlorinated
- Non-conductive
- High solvent power
- Safe on most plastics used in contact and circuit board construction
- Dielectric Strength: 14,000 volts

PRO TOOLS NF SOLVENT DEGREASER

Aerosol Non-flammable Degreaser

- Non-flammable
- Dielectric strength of 30,000 volts
- Dries quickly and leaves no residue

SAFE-SOLV

Non-Flammable Solvent Degreaser

- Residue free
- Cleans and dries quickly
- No chlorinated solvents
- Non-flammable, non-conductive and non-corrosive
- >30,000 volt dielectric strength
- Contains no CFCs or 1,1,1-Trichloroethane
- Safe for most rubber, metal parts, insulation and metal bearings
