

# PRO-BRAKE #1268101

Aerosol Non-Flammable Brake Cleaner

## Features:

- Non-flammable spray
- Non-conductive (37,500 volts)
- Stops the brake squeal
- Dries fast
- High powered jet action
- Safe on metals & fabrics
- No CFCs
- Cleans brake linings, drums, springs, cylinders, disc brake pads

## Description:

PRO-BRAKE is a potent solvent that attacks grease, oil, dirt and grime without disassembling the brake unit. The high-powered jet action flushes hard-to-reach places, instantly degreases and leaves no residue. This non-flammable, non-conductive spray stops brakes from squealing when caused by contaminants.

## Applications:

- Brake Linings
- Disc Brake Pads
- Drums
- Springs
- Cylinders
- CV Joints

## Product Characteristics:

Appearance:	Aerosol Spray
Odor:	Ether like
Evaporation Rate:	Slower than ether
High Boiling Point:	N/A
Low Boiling Point:	121.24°C
Viscosity:	0.524 cSt
Flash Point:	>93°C
Density:	13.43 lb/gal
Density VOC:	0 lb/gal
% VOC:	0%
Storage:	Protect from sunlight. Store in a well-ventilated place. Store locked up.
<b>Transport Information:</b>	
UN Number:	UN1950
Proper Shipping Name:	Aerosols
Class:	2.2
Packing Group:	N/A

## Directions:

1. Shake well before using.
2. To remove brake fluid, grease, oil, and other contaminants, spray parts liberally with **PRO-BRAKE** and allow to run off.
3. Air dry or dry with soft wiper.
4. If necessary, repeat application.
5. Protect rubber brake parts from overspray.
