Product: **First Aid Kits**

Product Code: 409101

Due to rising costs and high order minimums, we've decided to switch to a new supplier for our **First Aid Kits**. The private labeling required large minimum orders and resulted in significant price increases.

We've sourced a comparable, more affordable replacement product, which will soon be available, under the same product name and code. Please see the updated pricing and product details below, and we'll notify you once the new stock is in.
