As most of you are already aware, we are nearing the end of our stock of **4-N-1** aerosol cans and quarts. We have about **10 dozen 4-N-1 aerosol** and about **4 dozen 4-N-1 quarts** remaining.

We are working with a lab to formulate Just Rite in aerosol form as an alternative option. We believe we have also identified a potential replacement for 4-N-1. We'll keep you updated as we move forward.
