

PRODUCT BULLETIN

Date: 10/30/24

Product: **Protect-O-Flex**

Product Code: 172801

Our stock of **Protect-O-Flex** is past the sell by date. The lab confirmed that the product is still usable. We have decided to add the remaining inventory to our Product Blitz promotion and discount it 50% off. Attached is the updated Product Blitz flyer.

We are also in the process of bringing on a new battery terminal and metal parts protectant as a replacement product.
