JUST RITE has a unique formulation that stops squeaks, protects metal, loosens rusted parts and frees sticky mechanisms and yet, unlike similar products, does not harm most plastics. A truly versatile product: **JUST RITE** immediately penetrates to free frozen or rusted parts while leaving its protective coating to guard against rust and corrosion.

USE JUST RITE TO:

- REMOVE:** Grease, Grime, Gum, Adhesives, Crayon, Tar
- SILENCE SQUEAKING:** Doors, Chairs, Hinges, Wheels, Windows, Rollers, Moving Parts
- DISPLACE MOISTURE FROM:** Relays, Switches, Distributors, Spark Plugs, Wet Engines
- LOOSEN:** Locks, Valves, Frozen Bolts, Rusted Parts, Pipe Fittings
- PROTECT:** Dies, Tools, Chrome, Firearms, Equipment, Instruments

DIRECTIONS: Spray area to be treated. Let soak for a few minutes then wipe. For best rust protection, do not wipe off. To remove even the most stubborn frozen bolts, spray **JUST RITE** on affected area then tap bolt lightly allowing product to remain a few minutes until bolt is loosened.

NOTE: Avoid overspray onto floors or other surfaces which may become hazardous when slippery.

DANGER

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May cause cancer.

PRECAUTIONS

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, protective clothing, eye protection/face protection. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F. Store locked up. Store in a well-ventilated place. Dispose of contents/container to disposal recycling center. Under RCRA it is the responsibility of the user of the product to determine at the time of disposal whether the product meets RCRA criteria for hazardous waste. Waste management should be in full compliance with federal, state and local laws.

FIRST AID: ON SKIN: Take off contaminated clothing, shoes and leather goods (e.g. watchbands, belts). Wash with plenty of lukewarm, gently flowing water for a duration of 15-20 minutes. If skin irritation occurs: Get medical advice/attention. Wash contaminated clothing before re-use. IF exposed or concerned: Get medical advice/attention. WASH CONTAMINATED CLOTHING BEFORE RE-USE. IF EXPOSED OR CONCERNED: Get medical advice/attention. IN EYES: Remove source of exposure or move person to fresh air. Rinse eyes cautiously with lukewarm, gently flowing water for several minutes, while holding the eyelids open. Remove contact lenses, if present and easy to do. Continue rinsing for a duration of 15-20 minutes. Take care not to rinse contaminated water into the unaffected eye or onto the face. If eye irritation persists: Get medical advice/attention. IF INGESTED: Immediately call a POISON CENTER/doctor. Do NOT induce vomiting. INHALATION: Remove source of exposure or move person to fresh air and keep comfortable for breathing.
