

# T.K.O. ODOR & SMOKE ELIMINATOR #2303901

Destroys Odor Causing Molecules from Cannabis, Tobacco and Smoke

## Features:

- Odor control
- Two-fold process that reconfigures malodors
- Removes cannabis, tobacco and smoke odor
- Destroys odor causing molecules
- Leaves a fresh clean fragrance
- Lemongrass scented

## Description:

T.K.O. ODOR & SMOKE ELIMINATOR eliminates unpleasant odors left behind from cannabis, tobacco and smoke. T.K.O. ODOR & SMOKE ELIMINATOR works through a two-fold process. This product contains a new generation fragrance that will reconfigure the malodors so that the human senses do not detect an obnoxious smell. This product will continue to work through a microbial process that absorbs odor molecules and terpenes, leaving the treated surfaces with a fresh clean fragrance.

## For Use In:

- Schools

Use appropriate containment to avoid environmental contamination.
<b>Transport Information:</b>	
<b>DOT (DEPARTMENT OF TRANSPORTATION)</b>	
<b>OTHER SHIPPING INFORMATION:</b> Not regulated for domestic ground transportation.	

## Directions:

Apply through mist-type sprayer for best results, to eliminate cannabis, tobacco and smoke odors from drapes, carpeting, upholstery, porous materials, and textiles. Spray directly onto the surface. Be sure to saturate cloth materials to ensure solution reaches the source of the odor. Allow product to air dry. Can be used in auto interiors by spraying on fabrics and in air handling units or wiping on surfaces. When spraying textiles test on inconspicuous area for color fastness before use. Use Caution when spraying silk products or fabrics affected by water.
