

HVAC MAINTENANCE

CLEAN AIR

Bacteria & Odor Control for HVAC Systems

- EPA registered
- Ready to use, no diluting necessary
- Can be used in occupied spaces - no evacuation necessary
- Lowest EPA Toxicity & Safety rating
- Point-of-contact microbial control
- Effective against gram positive and gram negative organisms as well as yeasts, mold, mildew, fungi and algae
- Environmentally safe - no environmentally damaging propellants or flammable ingredients
- No harmful chemical residue - no rinsing required
- Contains no perfumes, masking agents or alcohol
- Respirator is not required
- Easy to apply

COIL BRITE

Aerosol Bio-Enzymatic Foaming Coil Cleaner

- Bio-Enzymatic action causes breakdown of organic odors and blockages which helps keep drip pan clean and drain line free flowing
- No-rinse formula
- Increases air flow & unit efficiency
- Reduces energy consumption
- Safely removes grease, dirt, stains & odors associated with mold & fungus
- Non-acid - no harsh fumes

COIL CARE

Heavy-Duty Degreaser for Air Conditioning Coils, Fins and Filters

- Acid-free
- Biodegradable
- Non-corrosive
- Non-polluting
- Non-flammable
- Non-toxic
- Concentrated liquid

COIL FRESH

Aerosol Foaming Evaporator Coil Cleaner and Disinfectant

- No rinsing required
- One-step cleaning, disinfecting and deodorizing action
- EPA registered for HVAC applications
- Virucide, mildewstat (on hard, inanimate surfaces), fungicide (against pathogenic fungi)
- Disinfects against Legionella Pneumophila, Canine Parvovirus and Herpes Simplex Virus Type I and II
- Nonabrasive and biodegradable
- Water based aerosol foam

COIL NU

Non-acid Foaming Aluminum Coil Cleaner and Brightener

- Contains no acid but works like an acid
- Highly concentrated
- Fast acting
- Nonflammable
- Foaming

TOTAL FOAM

Concentrated Foaming Condenser Coil Cleaner

- 0% VOC
- Improved heat exchange efficiency
- Non-acid formula
- Alkaline based
- Odorless
- Delayed foaming action
- 1 quart of concentrate makes 3-4 gallons
